Annual Shareholder Luncheon April 27, 2023

The 2023 luncheon's chosen theme of "Islands" couldn't have fit better with the lovely spring day with mild breezes and sunshine. We were pleasantly surprised that so many came dressed in their finest beach vacation attire. The men sported Hawaiian style shirts, some wore shorts, and a number had on panama hats. The ladies, not to be out done, wore lovely colorful dresses or muumuus, accented with leis or shell necklaces along with flowers in their hair and sun hats.

A big thank you to all our Building Captains who sold 147 tickets to our shareholders and their guests. Staff members from the Golden Rain Foundations also attended courtesy of Mutual 12 as appreciation for their efforts on behalf of Mutual 12.

Special thanks go to the Luncheon Committee members, Vice President Rose Sprague and Secretary Darlene Milek who put together all the table decorations of flamingos, sunglasses, shell necklaces, making the room feel bright and cheerful. We even had a photo wall with a picture of the blue Pacific Ocean, with props to take fun pictures. The committee sends its thanks to the crew of volunteers who helped to set up the room, greet our shareholders, and sell tickets to the opportunity drawings, help on the buffet line and so much more. They are in no particular order: Yoshi Kishi, Rich Taylor, Eleanor Petoletti, Joanne VanDerhyden, Marina Tesla, Lucille Findlay, Noreen Mandel, and Anita Miller.

President Rich Carson welcomed all in attendance and included a few reminders and remarks about the upcoming Election of the Board of Directors on June 8, 2023.

The caterer set up the buffet tables in the spirit of an outdoor luau. The food was an Island Delight of Mandarin Almond Salad, Lau Lau Pork, Teriyaki Chicken Skewers, Tiki Stir Fry Vegetables, Jasmine Rice and Hawaiian Rolls. Once all had filled their plates and were seated, the Hui O'Hula group entertained the room with their unique style of Polynesian dance that brought the warmth of the Islands to all. The Board and others were invited to learn a few hula moves and dance together to the famous "Tiny Bubbles" song. A fitting finale.

Raffle tickets were then drawn for door prizes. Thanks go to Four Star Landscape Corp. for donating 10 potted plants and to committee members who generously contributed a variety of prizes.
