PORTFOLIO SPECIALIST'S REPORT

AUGUST 2023

In the summer heat a reminder to rest and cool down in the shade, minimize direct exposure to the sun and stay hydrated, drink plenty of water and reduce the intake of sugar. **Don't wait until you feel thirsty!**

Slow down: reduce, eliminate, or reschedule strenuous activities until the coolest time of the day.

Dress for summer: Wear lightweight, loose fitting, light-colored clothing to reflect heat.

Avoid extreme temperature changes.

Hot weather brings out the thirsty, hungry critters!

- We must not feed wildlife. Bird feeders will attract rats, squirrels, and rabbits which will attract coyotes to your home.
- We must keep food, water, and trash off our patios/porches. Keep pet food and water bowls inside and not on your patio/porches.

Cats and small dogs **should never be allowed outside alone.** Pets must always be accompanied by their owner and must always be on a 6-foot leash while outside. Do not use a retractable leash.

Never leave pets unattended in vehicles LOOK before you LOCK!
